

Ordering Wakefield's 2017-2019 Boys Uniform

You will soon receive an email (see image below) from
SOCCER.COM Customer Service <custserv@sportsendeavors.com>

1. When you click "SHOP NOW" in the email, it will take you to the site where you will see a white popup box with 2 options.
2. Pick the 2nd one, under "**Need to Buy an Individual Item?**". The "Express Checkout Package" asks you for a size and then adds everything to your cart in that size, which you may not want.
3. The full Wakefield uniform consists of a red Adidas home shirt, a white away shirt, black w/ white stripes Adidas shorts, and black Adidas socks. You will be taken to a page that offers
 - a. black/white Squadra 17 shorts
 - b. black Metro IV socks
 - c. red Adidas Squadra 17 jersey [home shirt]
 - d. white "octane" jersey [away/training shirt]
4. Please order one of each item (unless you don't need any socks, but this is a pretty good price)
5. You can pick **Youth or Adult** sizes. The "SIZING INFORMATION" link under each item is really helpful, with representative photos of people wearing the kits.

While we know that players have their favorite numbers, please make sure to order the number that was assigned – it is automatically included when you click the emailed link.

- **Please order the uniform by July 20 to ensure arrival by the start of the season.**
- **Inform your coach after you have ordered, as he/she will be keeping track of those who haven't ordered and will send reminders.**

These uniforms can be used for 2 YEARS so buy them a bit big if you anticipate your son will hit a growth spurt. For reference, sizing is similar to our Adidas kits from last year.

You can always buy individual pieces again next year if you lose anything, or your child grows out of it. Here is further info about the kits <https://www.wakefieldsoccer.org/programs/travel/201718-travel-uniforms/>

NOTE: SOCCER-dot-com requires you to create an account to purchase the team uniform. They will automatically sign you up for a free Goal Club account, which gives you discounts on purchases. They add the \$24.95 into your subtotal and then take it out.

If you have questions during the ordering process, please contact SOCCER.COM's customer service center, either via phone or email: 1-800-950-1994 or custserv@sportsendeavors.com

FirstName,

Congratulations on being a part of Wakefield Soccer Association! SOCCER.COM is proud to partner with Wakefield Soccer Association and help outfit you this season. [CLICK HERE](#) to view your uniform ordering page and place your order.

Every team item with a logo, number or name is customized after your order is submitted. Depending on the time of year, it can take around four weeks for team items to be customized before they're available to ship. If your order contains a mix of customized and non-customized items they will ship separately.
