

Ordering Wakefield's 2019-2021 Girls Uniform

You will soon receive an email (see image below) from
SOCCER.COM Customer Service <custserv@sportsendeavors.com>

1. When you click "Get Uniform Package" in the email, it will take you to the site where you will see a white popup box entitled "CLUB REQUIREMENTS".
 - a. If you can't find the email, just go to <https://www.soccer.com/club/2000336968/> and select your player's team from the drop-down, and then his/her name.
 - b. Click "Get Uniform Package" and then proceed with the next step.
2. On the white pop-up box, either click the "Select Quick Sizes" button (it will pre-select sizes for all 4 pieces of the kit) or click "Reorder Uniform Items" at the bottom.
 - a. IF YOU USE THE **QUICK SIZES** OPTION: double check that the sizes are what you need – your player may need an Adult Sm shirt in the red but YL in the grey, and YXL shorts (or no shorts). Edit accordingly.
3. The full Wakefield uniform consists 4 pieces: a red Adidas home shirt, a grey away shirt, black w/ white stripes Adidas shorts, and **white** Adidas socks. You will see other "recommended gear" but that is recommended by soccer-dot-com, not by WSA. Purchasing anything other than the 4 uniform pieces is completely voluntary.
 - a. Only one of each of the 4 pieces is required (note: the price for the white socks is better than at most stores, so ordering two pairs isn't a bad idea if you so choose)
4. You can pick **Youth (unisex) or Adult (women's)** sizes.

IMPORTANT: Like last year, the Adidas shirts and shorts are offered in both a women's cut, and a youth/men's cut. Please order whichever style your daughter will feel comfortable in. Please look at the **Sizing Information** link next to each style, to see photos of representative girls/women at different sizes, and order what is right for your player.

While we know that players have their favorite numbers, please make sure to order the number that was assigned – it is automatically included when you click the emailed link.

- **Please order the uniform by July 31 to ensure arrival by the start of the season.**
- **INFORM YOU COACH after you have ordered, as he/she will be keeping track of those who haven't ordered and will send reminders.**

These uniforms can be used for 2 YEARS so buy them a bit big if you anticipate your son will hit a growth spurt. For reference, sizing is similar to our Adidas kits from last year.

You can always buy individual pieces again next year if you lose anything, or your child grows out of it. Here is further info about the kits <https://www.wakefieldsoccer.org/programs/travel/travel-uniforms/>

NOTE: SOCCER-dot-com requires you to create an account to purchase the team uniform. They will automatically sign you up for a free Goal Club account, which gives you discounts on purchases. They add the \$24.95 into your subtotal and then take it out.

If you have questions during the ordering process, please contact SOCCER.COM's customer service center, either via phone or email: 1-800-950-1994 or custserv@sportsendeavors.com
